

Family Medicine Without OB

Excellent work-life balance as a Kansas City community physician

The practice

The University of Kansas Health System is seeking a **family medicine physician** to join our growing community of primary care physicians. Details include:

- Positive atmosphere of collegiality and collaboration
- Outpatient/ambulatory clinic only
- Hospitalist coverage; no inpatient or OB responsibilities
- Excellent work-life balance with minimal shared call
- Demonstrated community need to grow these practices
- Supported by a full complement of specialists from The University of Kansas Health System
- Diverse patient population
- Comprehensive ancillary services available
- Competitive compensation and full benefits

Organizational culture

- HERO program provides opportunities to **volunteer** in community programs and events
- Employees **participate** in events such as American Heart Association Heart Walk, Susan G. Komen Race for the Cure, American Stroke Foundation Stroke Walk and more
- Progressive healthcare promoting **diversity and inclusion**. For the last 2 years, we've

recognized for the equitable and inclusive care we provide for LGBTQ patients and families by the Healthcare Equality Index (HEI)

- **Corporate partners** with the Kansas City Chiefs, Kansas City Royals, Kansas Speedway and the T-Mobile Center to raise awareness of the importance of quality community healthcare

Kansas City

- Metro area has a population of greater than 2 million
- Awarded America's 4th Most Cultured City by Travel + Leisure magazine
- Outdoor activities year-round with more than 600 parks and 24 public lakes
- Sports enthusiasts enjoy a variety of professional and collegiate sports
- Amazing food, from barbeque to local farm-fresh and ethnic fare
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties
