

Family Medicine – Academic

Kansas City positions

To lead the nation in caring, healing, teaching and discovering

The University of Kansas Medical Center is seeking a Family Medicine physician to add to our dynamic team of primary care providers.

Our family medicine department

- 25 board-certified Family Medicine physicians
- A nationally ranked collaborative research division
- A robust and well-established residency program
- Fellowships in geriatrics and sports medicine
- Diverse patient demographic with a broad spectrum of medical needs
- State-of-the-art clinical setting

The responsibilities of the position:

- Outpatient clinic with opportunities to practice women's health and obstetrics; pediatric and adolescent medicine; community medicine; adult Down syndrome clinic and to perform minor surgical procedures
- Teach medical students and residents
- Inpatient responsibilities are optional
- Opportunity for research and scholarly activities
- Rotating call

Amazing colleagues, great benefits, exceptional retirement and salary confirmed to be competitive!
