Family Medicine without OB

Community physicians – Kansas City metro area

About the practice

The University of Kansas Health System is seeking a **Family Medicine Physician** to join our growing community primary care physicians. Openings are available at various locations in the Kansas City metro area.

The University of Kansas Hospital was recognized by U.S. News & World Report as the best hospital in Kansas City and in Kansas. It's the only hospital to receive these awards.

- Positive atmosphere of collegiality and collaboration
- Outpatient/ambulatory clinic only
- No OB or inpatient (hospitalist) coverage
- Work/life balance with shared call
- Demonstrated need in the community to grow these practices
- Supported by a full complement of consult specialists from The University of Kansas Health System
- Diverse patient population
- Epic EMR
- Ancillary services available
- Excellent full menu of benefits available, including retirement
- Competitive compensation

About Kansas City

- The Kansas City metropolitan area has a bi-state population of greater than 2 million.
- A hidden gem, winning the award of America's 4th Most Cultured City by Travel + Leisure magazine
- High-quality public and private schools and universities.
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties.
- Robust art scene - museums/symphony/ballet/theater and more.
- Outdoor activities year-round with more than 600 parks and 24 public lakes.
- Sports enthusiasts can enjoy a variety of professional and collegiate sports.
- Amazing food - everything from KC barbeque to local farm-fresh fare and ethnic choices.
- Solid economy founded on varied industries to aid stability.
