

# Cardiothoracic Surgeon

Region's premier academic medical center

## The position

- Seeking assistant/associate-level surgeon for Cardiovascular and Thoracic Surgery
- Must have superb surgical skills in cardiac transplant, ventricular assist devices and all aspects of cardiac surgery
- Serve as a clinical educator to fellows, residents and medical students
- Will have the opportunity to contribute to research initiatives
- Board-certified/eligible in thoracic surgery and have broad experience in cardiac and transplant surgery

## About The University of Kansas Hospital

- 910-bed academic medical center
- 12th consecutive year ranking with U.S. News and World Report's "Best Hospital" designation
- Consistently earns national recognition for outstanding quality and safety
- "Best Hospital" in Kansas City for the 7th time and "Best Hospital" in Kansas for the 5th time (the only hospital to have received these awards since their inception)
- Magnet-designated by ANCC since 2006

## About the city

- The Kansas City metropolitan area has a bi-state population of more than 2 million
- A hidden gem winning the award of America's 4th Most Cultured City by Travel + Leisure magazine
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties
- A robust arts scene, including symphony, ballet, theatre and museums
- Sports enthusiasts can enjoy a variety of professional and collegiate sports
- Outdoor activities abound year-round with more than 600 parks and 24 public lakes
