

Hematology/Oncology – BMT

Kansas City

The University of Kansas Hospital is seeking an experienced Hematologist/Oncologist with a focus in blood and marrow transplant to join the Division of Hematologic Malignancies and Cellular Therapeutics team as an assistant or associate professor. We are the region's largest BMT and acute leukemia program, and part of the region's largest comprehensive cancer center.

Qualified individuals will be an MD and have completed an ACGME-accredited hematology/oncology fellowship, and board-certified or eligible in hematology. Candidates who have completed a BMT fellowship program or commensurate training preferred.

Responsibilities

- Provide medical care for both outpatient clinic and hospitalized patients
- Contribute to various research, educational and clinical initiatives related to areas of individual interest and expertise
- Serve in a clinician educator role with responsibility for education of housestaff

About The University of Kansas Hospital

- 784-bed academic medical center

- 10th consecutive year ranking with U.S. News and World Report's "Best Hospital" designation
- "Best Hospital" in Kansas City for the 7th time and "Best Hospital" in Kansas for the 5th time (The only hospital to have received these awards since their inception.)
- Magnet designation in nursing achieved for the third consecutive time

About the city

- The Kansas City metropolitan area has a bi-state population of greater than 2 million.
- A "hidden gem" winning the award of America's 4th most Cultured City by Travel + Leisure magazine.
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties.
- A robust arts scene, including symphony, ballet, theatre and museums.
- Sports enthusiasts can enjoy a variety of professional and collegiate sports.
- Outdoor activities abound year-round with more than 600 parks and 24 public lakes.
