

Hospitalist

Kansas City

Internal Medicine at The University of Kansas Health Care System is seeking Hospitalists to provide medical care on inpatient services.

About the position

- Hospitalists provide 24/7 in-hospital coverage and have full subspecialty support; closed ICU.
- Qualified candidates will be board-certified or board-eligible in internal medicine. For long-term employment, board-certification is required.

About The University of Kansas Hospital

- 784-bed academic medical center
- 10th consecutive year ranking with U.S. News and World Report's "Best Hospital" designation
- Consistently earns national recognition for outstanding quality and safety
- "Best Hospital" in Kansas City for the 7th time and "Best Hospital" in Kansas for the 5th time (The only hospital to have received these awards since their inception.)
- Magnet designation in nursing achieved for the third consecutive time

About the city

- The Kansas City metropolitan area has a bi-state population of greater than 2 million.
- A "hidden gem" winning the award of America's 4th most Cultured City by Travel + Leisure magazine.
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties.
- A robust arts scene, including symphony, ballet, theatre and museums.
- Sports enthusiasts can enjoy a variety of professional and collegiate sports.
- Outdoor activities abound year-round with more than 600 parks and 24 public lakes.
