

Internal Medicine – Ambulatory

Academic position in Kansas City metro area

About the practice

We are seeking an Internal Medicine Physician to join our growing academic internal medicine department.

- Positive atmosphere of collegiality and collaboration
- Outpatient/ambulatory clinic only
- No inpatient (hospitalist) coverage
- Work/life balance with shared call
- Demonstrated need in the community to grow the practice
- Supported by specialists from The University of Kansas Health System
- Excellent full menu of benefits available, including exceptional retirement
- Competitive compensation
- Teaching opportunities with medical students and residents

About The University of Kansas Hospital

- 784-bed academic medical center
- 12th consecutive year ranking on U.S. News & World Report's Best Hospitals list
- 2018-19 U.S. News & World Report recognized our hospital in nine medical and surgical specialties, an accomplishment unrivaled by any other provider in our region
- Consistently earns national recognition for outstanding quality and safety

- Best Hospital in Kansas City and Kansas - the only hospital to have received these awards from U.S. News & World Report
- Magnet designation in nursing achieved and maintained for the third opportunity

About Kansas City

- The Kansas City metropolitan area has a bi-state population of greater than 2 million.
- A hidden gem, winning the award of America's 4th Most Cultured City by Travel + Leisure magazine.
- High-quality public and private schools and universities.
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties.
- Robust art scene – museums, symphony, ballet, theater and more.
- Outdoor activities year-round with more than 600 parks and 24 public lakes.
- Amazing food - everything from KC barbeque to local farm-fresh fare and ethnic choices.
