

# Pediatric Intensivist

Region's premier academic medical center

## Pediatrics

The PICU at The University of Kansas Health System is a medically based unit with in-house coverage with up to 600 admissions per year.

- Co-management to the region's only accredited pediatric burn center and Level 1 adult trauma service
- Nightly coverage for the general pediatrics unit and pediatric hematology/oncology services
- Growing, pediatric sedation service, providing pediatric sedations throughout the hospital system, ~300 per year

## The position

- Provide direct patient care
- Attending intensivist will supervise residents and medical students at the University of Kansas School of Medicine
- Will take charge of triaging all pediatric transfers into the hospital system
- Competitive salary and full menu of benefits

## Qualifications

- MD or DO, or foreign degree equivalent
- Board-certified or board-eligible in Pediatrics
- Completion of post-graduate training program in pediatric critical care accredited by the ACGME
- Licensed or eligible for licensure to practice medicine in Kansas

## The University of Kansas Health System

- 910-bed academic medical center
- 10th consecutive year ranking with US News & World Report's "Best Hospital" designation
- Consistently earns national recognition for outstanding quality and safety
- Magnet designation in nursing achieved for the third consecutive term
- Certified Comprehensive Cardiac Center

## Kansas City

- Kansas City metro area has a population of greater than 2 million
- Awarded America's 4th Most Cultured City by Travel + Leisure magazine
- Outdoor activities year-round with more than 600 parks and 24 public lakes
- Sports enthusiasts enjoy a variety of professional and collegiate sports
- Amazing food - from KC barbeque to local farm-fresh fare and ethnic varieties
- Affordable housing, including downtown lofts, suburban neighborhoods and rural properties
- Robust art scene – museums/symphony/ballet/theater and more
