

PM&R - Spinal Cord Injury

U.S. News & World Report's "Best Hospital" in Kansas and
Kansas City

Physical Medicine and Rehabilitation at The University of Kansas Health System integrates our clinical mission with leading-edge research and educational programs, and we are ranked in the top ten in NIH funding.

The successful candidate

- Board-certified/-eligible in PM&R
- Prefer fellowship trained in spinal cord injury

The duties of the job

- Manage inpatient care at our main campus
- Provide consult coverage
- Provide functional restoration and pain management services
- Conduct SCI specialty clinic
- Build the educational SCI program
- Supervise and teach PM&R residents, fellows and medical students
- Support scholarly activity
- Collaborate with spine surgeons and others within a multidisciplinary team

About Kansas City

- A "hidden gem" winning the award of America's 4th Most Cultured City by Travel + Leisure magazine
- High-quality public and private schools and universities
- Affordable housing including downtown lofts, suburban neighborhoods and rural properties
- Robust art scene – museums/symphony/ballet/theater and more
- Outdoor activities abound year-round with more than 600 parks and 24 public lakes
- Amazing food – everything from KC barbeque to local farm-fresh fare and ethnic choices
