

A black and white line drawing of a squirrel on the left, pointing its right hand towards a sign hanging from a tree branch. On the right, a rabbit is standing and reading a book titled "SAFETY & ME". The sign is rectangular and contains the text "Safety Tips" followed by four numbered instructions. The background includes a tree branch with leaves and two tulip-like flowers on the ground.

## Safety Tips

1. Kids, never play with household chemicals or medications.
2. Never take medications or vitamins without asking a trusted adult.
3. Remind mom or dad to lock up all the medicines and chemicals.
4. Medicine is NOT candy.
