

Financial Responsibility/Follow-up Note

Financial Responsibility:

Please be aware that services rendered are the financial responsibility of the patient. Payment in full is due at the time of service. We do not accept or file insurance of any sort. You are responsible for submitting claims to your insurance company. There is no guarantee that your visit will be covered by insurance because the ABC coding system used in this clinic and universally in Integrative Medicine is not reimbursed by most insurance companies.

New Cancellation Policy:

We require three business days' notice for cancellations. A cancellation with less than three business days will be charged 50% of the scheduled appointment fee.

For Example:

If appointment is:

Thursday
Friday

Cancel by:

Wednesday by 3 pm
Thursday by 3 pm

Monday by 3 pm

Test Financial Responsibility:

Please contact your insurance before having any tests completed to determine your financial responsibility. There is no guarantee that the testing (including blood work) will be covered by your insurance.

Test Completion:

If you are completing any tests, there is a three week turn around for test results after the lab has received your specimen. If you have an appointment coming up, you may contact us to see if test results have been received.

Test Results:

Test results are discussed at your follow-up appointment, where you will receive a copy of your results. These results are not mailed out prior to your appointment or discussed over the phone.
