

Lee, Gene T - MD

**Obstetrics and Gynecology
Maternal-Fetal Medicine**

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Lee's clinical practice is focused on Maternal & Fetal Medicine, High Risk Pregnancy, Incompetent Cervix, Prenatal Diagnosis (2D and 3D Ultrasound) and Preterm Birth. Dr. Lee's specialties include Obstetrics & Gynecology, Fetal Echocardiology, Maternal & Fetal Medicine and Medical Genetics. Dr. Lee's practice locations are The University of Kansas Physicians Medical Office Building, The University of Kansas Physicians Women's Health Specialty Center-Topeka and The University of Kansas Physicians Women's Health Specialty Center-St Joseph.

Board Certification: Obstetrics & Gynecology, Maternal & Fetal Medicine
Medical School: University of Chicago Pritzker School of Medicine
Residency: UCLA Medical Center
Fellowship: University of Colorado

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
