

Physician Profile

Abraham, Michael G - MD

Neurology

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Abraham's clinical practice is focused on Acute Ischemic Stroke, Cerebral Aneurysm, Idiopathic Intracranial Hypertension, Carotid Stenosis and Cerebral AVM/Dural AVF. Dr. Abraham's specialties include Neurology, Interventional Neuroradiology, Neurointensivist, Neurointerventionalist and Vascular Neurology. Dr. Abraham's practice locations are The University of Kansas Hospital and Landon Center.
