

Physician Profile

Lydic, Michael L - MD

**Obstetrics and Gynecology
Reproductive Endocrinology and Infertility**

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Lydic's clinical practice is focused on Fertility Preservation, In Vitro Fertilization, Infertility, Polycystic Ovarian Syndrome (PCOS) and Reproductive Endocrinology. Dr. Lydic's specialties include Infertility, Reproductive Endocrinology, Same-Sex Couple Fertility Care and Single-Parent Fertility Care. Dr. Lydic's practice locations are Corporate Medical Plaza and Englewood Center.

Board Certification: Obstetrics & Gynecology, Reproductive Endocrinology and Infertility
Medical School: Hahnemann University
Residency: Hahnemann University Hospital
Fellowship: University of Cincinnati

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
