

## Physician Profile

### **Haglund, Nicholas A - MD**

#### **Cardiology**

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Haglund's clinical practice is focused on Advanced Heart Failure, Congestive Heart Failure, Mechanical Circulatory Support Devices, Post Cardiac Transplant Care and Transplant Cardiology. Dr. Haglund's specialties include Clinical Cardiology and Transplant Cardiology. Dr. Haglund's practice locations are The University of Kansas Hospital, Mid-America Cardiology-Liberty and Corporate Medical Plaza.
