

Physician Profile

Alli, Adam S - MD

Radiology

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Alli's clinical practice is focused on Aortic Aneurysm, Balloon Angioplasty, Chemoembolization, Endovascular Aneurysm Repair and Hepatobiliary Interventions. Dr. Alli's specialties include Diagnostic Radiology, Diagnostic Roentgenology, Emergency Radiology, Endovascular Surgery and Image Guided Medicine. Dr. Alli's practice locations are The University of Kansas Hospital and The University of Kansas Hospital - Indian Creek Campus.

Board Certification: Radiology, Vascular and Interventional Radiology

Medical School: University of Oklahoma Health Science

Residency: University of Kansas Medical Center

Fellowship: University of Kansas Medical Center

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
