

Physician Profile

Dubinsky, Richard M - MD **Neurology**

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Dubinsky's clinical practice is focused on Movement Disorder, Huntingtons Disease, Botox Injection, Dystonia and Parkinsons Disease. Dr. Dubinsky's specialties include Neurology, Clinical Neurophysiology, Electrophysiology, Movement Disorder Surgery and Neuroepidemiology. Dr. Dubinsky's practice location is Landon Center.

Board Certification: Neurology, Clinical Neurophysiology, Electrodiagnostic Medicine

Medical School: University of Missouri-Kansas City

Residency: Baylor College of Medicine

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
