

Physician Profile

Tadros, Peter N - MD

Cardiology

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Tadros's clinical practice is focused on Interventional Cardiology, Peripheral Vascular Intervention, Advanced Imaging Techniques, Echocardiography and Heart Attack. Dr. Tadros's specialties include Cardiology, Clinical Cardiac Interventions, Interventional Cardiology, Preventive Cardiology and Second Opinions in Cardiology. Dr. Tadros's practice location is The University of Kansas Hospital.

Board Certification: Internal Medicine, Cardiovascular Diseases, Cardiovascular Computed Tomography, Adult Comprehensive Echocardiography

Medical School: University of Texas

Residency: University of Minnesota Hospitals and Clinic

Fellowship: Washington University

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
