

Physician Profile

Hammond, Nancy E - MD

Neurology

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Hammond's clinical practice is focused on Epilepsy, Epileptology, Intractable Epilepsy and General Neurology. Dr. Hammond's specialties include Neurology, Clinical Neurophysiology, Epileptology, General Neurology and Neurophysiology. Dr. Hammond's practice locations are The University of Kansas Hospital and Landon Center.

Board Certification: Neurology, Neurophysiology, Epilepsy
Medical School: University of Kansas Medical Center
Residency: Rush University Medical Center-Chicago
Fellowship: Rush University Medical Center-Chicago

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
