

Physician Profile

Sutphin Jr, John E - MD

Ophthalmology

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Sutphin's clinical practice is focused on Cornea Problems, External Eye Diseases, Anterior Segment Surgery, Anterior Uveitis and Cataract Surgery. Dr. Sutphin's specialties include Anterior Segment Surgery, Corneal Transplant Surgery and Pterygium Surgery. Dr. Sutphin's practice location is The University of Kansas Physicians Eye Center.

Board Certification: Ophthalmology
Medical School: Vanderbilt University
Residency: Naval Medical Center
Fellowship: Baylor College of Medicine

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
