

Physician Profile

Gibbs, Charles W - MD

**Obstetrics and Gynecology
Maternal-Fetal Medicine**

Physicians at The University of Kansas Hospital are dedicated researchers, scientists, educators and caregivers. In their research, they work to uncover medical breakthroughs. As educators, they train the next generation of physicians, and at the patient's bedside, they offer the latest, most innovative treatment options.

Dr. Gibbs's clinical practice is focused on Critical Care Medicine, Fetal Medicine, High Risk Pregnancy, Maternal & Fetal Medicine and Perinatology. Dr. Gibbs's specialties include Fetal Echocardiology, Maternal & Fetal Medicine, Obstetrics, Obstetrics & Gynecology and Perinatology. Dr. Gibbs's practice locations are The University of Kansas Physicians Women's Health Specialty Center-Topeka, The University of Kansas Physicians Medical Office Building, The University of Kansas Physicians-Quivira Specialty Clinic, Englewood Center and The University of Kansas Physicians Women's Health Specialty Center-St Joseph.

Board Certification: Obstetrics & Gynecology, Maternal & Fetal Medicine
Medical School: University of Tennessee Health Science Center
Residency: Truman Medical Center - West
Fellowship: University of Tennessee Health Science Center

The University of Kansas Hospital's physicians are committed to providing excellent patient-centered care. For referring physician's offices, we have a dedicated Physician Referral and Consultation Center, which is answered 24 hours a day. To directly refer a patient or consult with a hospital physician, call (913) 588-5862 or toll free (877) 588-5862.

For patients, we have a dedicated Health Resource Center at (913) 588-1227 or visit kumed.com for assistance with scheduling, health and wellness programs, and referrals to physician specialists.
