Dear *Donor Name*,

Thank you for supporting *Fundraiser Name*. Your generosity helped *host group/name* raise *amount*, which will benefit The University of Kansas Health System.

When you give to The University of Kansas Health System, you make a difference in the lives of their patients and loved ones. Your contribution helps The University of Kansas Health System continue to provide more options to patients through the most medically advanced treatments and cures available anywhere. The University of Kansas Health System does not receive state or local funding or tax subsidies. They rely on donors like you to ensure the excellence that saves lives and improves the health of all who turn to The University of Kansas Health System for medical care.

Thank you for your generosity.

Sincerely,

*Host Group/Name*
