Additional Resources

Once logged in, there will be numerous QGenda help resources.

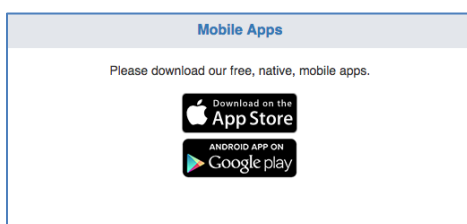

- The QGenda support phone number is listed at the top of each page.
 - **QGenda support line: 855-399-9945 ext.2**
- A support messenger displays once you reach the QGenda site from your browser.

- The Dashboard
 - The dashboard contains links to pre-defined views of your schedule as well useful links to resources.

- Mobile Apps
- QGenda offers a mobile app on both iOS and Android platforms. The app features secure messaging capabilities and is a great way to view schedules on your mobile device. Click on either the Apple App Store or the Android Google Play store to download the QGenda mobile app.

- Help/Feedback
 - Use this field to get help while in the system or, to provide feedback. Once submitted, your message will be sent to the QGenda Engineer responsible for maintaining your account.

Help / Feedback

Do you need assistance, or have any feedback or suggestions for us? We'd love to hear from you!

Enter your feedback here. Use the Submit button to send it to a QGenda representative.
