Duo enhances your account security with two-factor authentication. The most convenient way to confirm your identity is to use the free Duo Mobile app on your smartphone. Register your device on your computer and download the Duo Mobile app.

Register Your Smartphone/Device

Initiate the registration from your computer.

1. Open a web browser on your computer and navigate to https://cas.kumc.edu/mfaselfservice/ to register your device.
2. Enter network id and password and Login.

Central Authentication Services Login

This is the single point of sign-on to many KUMC-based web resources.
After logging in below, you will be able to use other CAS-enabled sites without being prompted.
