

Before and After Your Visit

Thank you for choosing The University of Kansas Health System Great Bend Campus. It's our goal to provide you with outstanding medical care. This overview will help you prepare for your next appointment and communicate with us following your visit.

Before your visit

Check your insurance coverage

- Before scheduling an appointment, check your coverage to confirm it includes our services.
- If the health system is not a participating provider, you may still be able to receive treatment here. Your insurance company may help with authorization.
- Find questions to ask your insurance company at kansashealthsystem.com/insurance, or call 620-791-5054.

Confirm your appointment

- We will remind you of your appointment a few times by phone, text or email. Ensure you opt in to text messages to easily confirm or cancel appointments and access more information about your appointment.
- If you need to cancel or reschedule, contact your clinic 24 hours before your appointment time.
- If you're running late, call your provider's office.
- Bad weather on your visit day? Symptoms of COVID-19 or flu? Consider changing your appointment to telehealth.

Review latest policies

- Visit gbregional.com/coronavirus-covid-19-information for the latest on mask policies, visitor guidelines, parking and entrances and more.

Plan for care and learn about financial assistance

For a wide variety of healthcare needs, you can obtain cost estimates in advance. In MyChart, go to Billing and choose Estimates. No MyChart account? On the MyChart login screen, choose Estimates as a Guest.

Our financial assistance guideline is the federal poverty level scale for family income. This allows us to provide discounts to the most deserving and help the underinsured.

We also can help you establish a payment plan and obtain any benefits for which you may qualify.

For more information, visit gbregional.com/financial-assistance or call 620-791-5054 or contact our financial counseling department at 913-588-7850.
